Appliance Rebate Criteria
For Residential Clothes Washers

To qualify, a clothes washer must meet these standards:

- Must be ENERGY STAR qualified
- Top Loaders must have a minimum IMEF of 2.38
- A copy of the Proof of Purchase (receipt) must accompany this rebate application. This must include the model number and date of purchase.

Not all Energy Star clothes washers are qualified for a rebate.

You can find the IMEF for clothes washers at [www.energystar.gov](http://www.energystar.gov).
