

# SmartHub Android New User Registration

1. On your Android Smartphone, open the Google Play Store and enter **SmartHub** in the search field. A search will return SmartHub by National Information Solution Corp.
2. Click on the **Install** button as shown below.

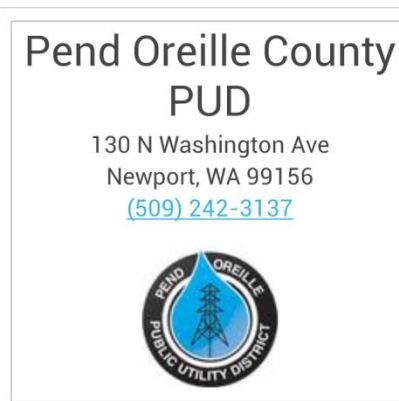

3. When prompted, click **Accept** as shown below to allow the App to access the required resources. When the install is completed, open the application.

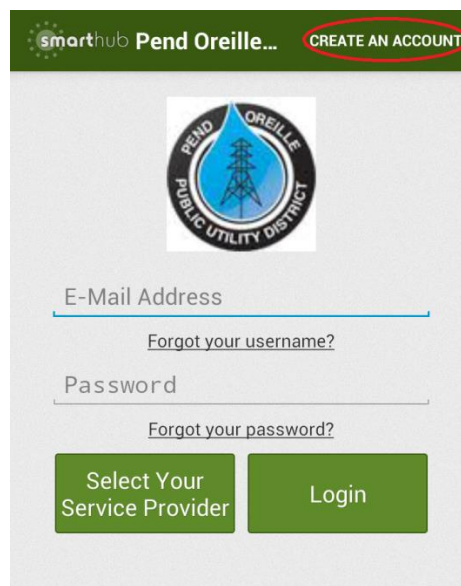

4. On the SmartHub screen, you will be prompted to select the name of your utility provider. You can search by name or by location. To search by name, select **By Name** and then enter **Pend Oreille** as shown below. To search by location, make sure that Location Services are enabled on your device and then select **By Location**. Select **Pend Oreille County PUD** from the list.

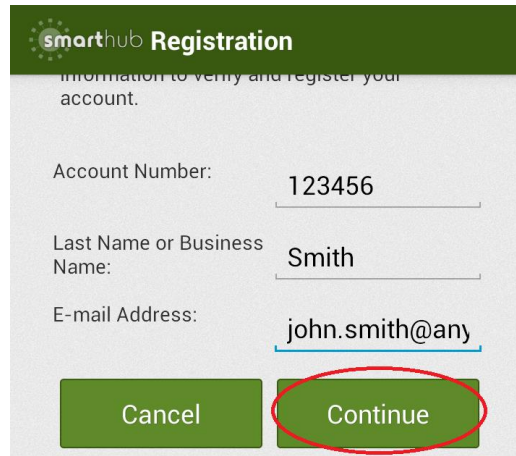

5. Confirm your selection of Pend Oreille County PUD by selecting the **Confirm** button as shown.

6. On the SmartHub login screen, select **CREATE AN ACCOUNT** as shown below.

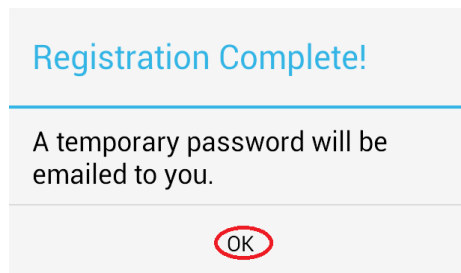

7. On the **Registration** screen, enter your **Account Number**, **Last Name** or Business **Name**, and a valid **E-Mail Address** as shown below. (The e-mail address that you enter will become your SmartHub username and a confirmation e-mail will be sent to that address.) Click **Continue** to complete the registration.

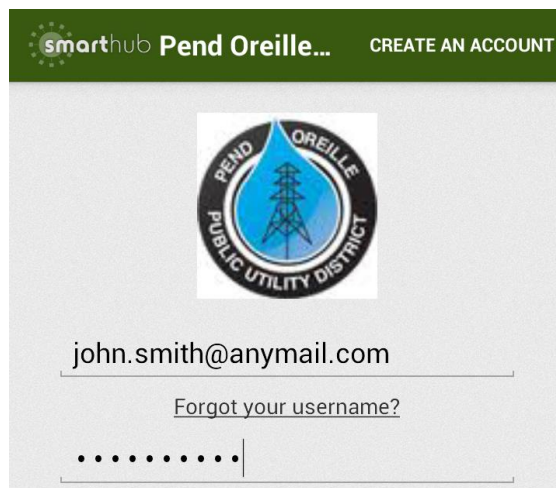

The image shows the SmartHub Registration screen. At the top, there is a green header with the SmartHub logo and the word "Registration". Below the header, there is a sub-header that says "Information to verify and register your account." The form contains three input fields: "Account Number:" with the value "123456", "Last Name or Business Name:" with the value "Smith", and "E-mail Address:" with the value "john.smith@any". At the bottom of the form, there are two buttons: "Cancel" and "Continue". The "Continue" button is circled in red.

8. Upon completion, you will receive a message as shown below. Before you can continue the setup process, you will need to retrieve the temporary password that was e-mailed to your account. Retrieve the password and then click **OK** as shown below.

The image shows a message box with a light gray background. At the top, it says "Registration Complete!" in blue text. Below that, it says "A temporary password will be emailed to you." At the bottom of the message box, there is a button labeled "OK" which is circled in red.

9. With the temporary password, login to SmartHub as shown below. You will be prompted to change your password. Change your password and click **OK**. The installation and registration process is complete.

The image shows the SmartHub login screen. At the top, there is a green header with the SmartHub logo, the text "Pend Oreille...", and a link "CREATE AN ACCOUNT". Below the header, there is a logo for "PEND OREILLE PUBLIC UTILITY DISTRICT" which features a water drop and a power line tower. Below the logo, there is an input field for the email address with the value "john.smith@anymail.com". Below that, there is a link "Forgot your username?". At the bottom, there is a password input field with a series of dots and a vertical line indicating the cursor position.
